Client programs that need to connect to Analysis Services in both SQL Server 2000 and SQL Server 2005 must therefore install PivotTable Services 8.. If you use third party apps, websites, or other products integrated with our services, they may collect information about the activity in accordance with their own terms and conditions of privacy.

This re-installable SQL Native Client installer installs the client components needed for running to exploit the new SQL Server 2005 features, and installs any program header files that use the SQL Native Client API.. At the end of each subscription period for these paid services, we automatically renew your subscription and charge you the credit card or other payment method you have provided to us unless you cancel your subscription at least 48 hours before the end of the current period.
